Cady Heron may have grown up on an African savanna, but nothing prepared her for the wild and vicious ways of her strange new home: suburban Illinois. How will this naïve newbie rise to the top of the popularity pecking order? By taking on The Plastics, a trio of lionized frenemies led by the charming but ruthless Regina George. But when Cady devises a plan to end Regina's reign, she learns the hard way that you can't cross a queen bee without getting stung.

Bethany

Sweet B, It seems you were born singing and dancing, ready to take on the world by storm. Your zest for life has always been contagious. Making others smile, onstage and off, is what you do. Watching you chase your dreams brings us infinite delight. Break a leg kid, today and every day. You are smart, kind, and beautiful!

Love, Mom and Dad

EMILY

Go out into this big world and sing all the songs, soak up all the love, and live this life to its fullest. Your mighty heart, passion for performing and commitment to your craft will bring the world to your doorstep. We love you and are so proud of you.

Love, Dad, Mom, Kev, and all your siblings.

"I may be small, but I've got giant plans to shine as brightly as the sun."
-Little Women

April

Your Senior year has been filled with voice lessons, water bottles, rehearsals, character shoes, tea and honey, vocal warm-ups, vocal rest, singing in the shower, costumes, props, practicing lines, singing in the car, dressing rooms, dancing, gummy bears, makeup wipes, auditions, tech week, opening nights, yard signs, singing in your room, setting spray, flowers, headshots, snacks, navigating in the dark backstage, Playbills, field trips, final shows, and the rap from Hamilton.

You bring your whole self to every experience. You know exactly how many minutes there are in a year, and how to defy gravity. You can finally spell - yee haw! You know that bleachers sometimes spin - be sure to wear a seatbelt. You've been stabbed in the leg with an Epipen, or maybe it was one of those pens with 5 colors in them. You are a pusher, but also know how to give extra credit. And now, on Wednesdays, even your family wears pink.

We are so proud of all of your accomplishments - both off stage and on.

In a world that wants you to whisper, we hope you choose to sing...

Colin

We are so incredibly proud of all you have accomplished! We wish you all the best as you venture into this next phase of Theatre! We love you!

Mom, Dad and Alysia

Andrew

We are so incredibly proud of you! Your hard work and dedication to your craft continues to impress us all.

We love you!

Mom, Dad, Alexander, and Sadie

PARKER

I have so enjoyed this journey of watching you grow and finding your way into performing arts. Thanks for always making me laugh, both on and off the stage. I know you'll do amazing things at UGA and beyond.

Love ya kid, more than you know....Mom

REAGAN

Reagan, your achievements, both academic and personal, have been nothing short of remarkable. Whether it's excelling in the classroom, shining on the stage, or demonstrating kindness to those around you, you've consistently shown grace and poise. Through the ups and downs, you've faced challenges with determination and emerged stronger each time. Wherever your path leads you, know that you have our unwavering support.

Love, Dad, Mom, and Walker
